

# Guess the finish time!

How long will it take \_\_\_\_\_ to cross the finish line?

Challenge: \_\_\_\_\_ Date: \_\_\_\_\_

Entry: £ \_\_\_\_\_ Prize: \_\_\_\_\_

Name	Finish time	Name	Finish time

See how to play on the next page...

# Guess the

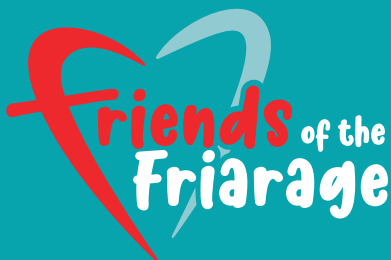

# finish time!

## How to play

**Boost your fundraising with a fun sweepstake game!**

- Print out page 1 and put a copy at your workplace or at your fundraising event.
- Set a cost to enter (e.g £2.00) and decide on a prize for the winner, which can either be a portion of the amount raised as a cash prize, or a box of chocolates etc. (please ensure the gift is age-appropriate, i.e. no alcohol to under 18s).
- There are 20 squares per sheet - so £2.00 per guess will give you £40.00 - you could give £20 as a cash prize and £20 to Friends of the Friarage. Print more sheets if you'll have more than 20 players!
- Each player writes down their name and phone number and the time they think the runner will complete their challenge in.
- The person who has the closest time wins - simple!
- Head over to <https://www.friendsofthefriarage.org.uk/Donate/How-to-Donate> to find the best way to pay in the money raised for Friends of the Friarage. **Thank you!**

Your generous donations go towards improving and enhancing services at the Friarage. [Scan the code on your phone to donate via JustGiving](#)
